## **A Call for Small, Fine Ceramic Works of Art 8x8x8 works due on September 8**

**(ROCHESTER, NY – July 24, 2017)** Flower City Arts Center is issuing a call for small ceramic works of art. The second annual **Good Things...come in small packages** exhibition will be November 10 through December 21, 2017. The deadline for application is September 8, 2017. All works submitted must be smaller than 8x8x8 inches. Applications can be submitted online at [www.rochesterarts.org/good-things](http://www.rochesterarts.org/good-things).

The juror this year is Tim See, a New York state ceramicist, who has created an imaginary world that he brings to life with his objects—like the industrial oils cans, illustrated vessels and sculptural machinery. Using the clay, underglazes, stains, and wood-firing See builds up patinas of wear and a story of usage.

The Firehouse Gallery is located at 713 Monroe Ave., Rochester, NY 14607. The opening reception and sale, and gallery hours are free and open to the public.

member of the National Guild of Community Schools of the Arts, the organization is committed to making high-quality arts education available to all.

Flower City Arts Center has been operating since 1970. The Center is a darkroom and photography facility, a pottery workshop, and a printing and book arts center. Support of the Center benefits youth outreach programs and programs for the community. All of the money raised stays in Rochester and directly benefits members of the Rochester community. The Center uses its resources to provide youth programs in schools, offers over 200 classes to the general public, and rents space to artists and others interested in the visual arts. Internships, facilities for advanced area arts students and resource facilities for anyone interested in book arts, photography and pottery are also available. Three galleries in the building serve as exhibit space for local, regional and national artists.

Flower City Arts Center is supported by funding from the New York State Council on the Arts with the support of Governor Andrew M. Cuomo and the New York State Legislature.
